

Mechanical Assembly

We are an AS9100/ISO9001 certified precision manufacturing company in Livermore providing support to Aerospace, Medical, Optical and Semiconductor industries.

We are looking for someone who pays attention to details, likes to work with their hands, is a fast learner, and able to follow instructions in a fast-paced machine shop environment.

Position requires person to be focused, reliable and on-time.

Some mechanical assembly experience would be a plus.

Prefer 1 year experience, but will accept someone with mechanical aptitude, knowledge of machinery and hand tools and the ability and willingness to learn.

Duties Include:

Installation of hardware/fasteners/connectors/dowel pins using insertion machines and tools; Deburring/grinding: Using wheel/belt sanders; vibrating sanders; files, etc.

Experience with assembly is preferred but not required.

Requirements:

- Able to lift 50 lbs.
- Must be able to follow instructions (verbally and written)
- Ability to multi-task and work in a fast paced environment
- Willingness to perform multiple duties around the shop
- Mechanical aptitude and attention to detail
- Reliable and punctual**

Position is full time, Monday through Friday, overtime when necessary.

Benefits: Competitive Wages (DOE), Medical & Dental Benefits 100% for the employee plus 50% for dependents, 401K, Paid holidays after 90 days.
